FIREFIGHTER INFORMATION FORM

Part of being a member of the North York Regional Fire Department means that we are required to register you with the Province of NB as a firefighter. We also in many cases, add you to the list of drivers for our fire department emergency vehicles. To obtain the necessary information, we require some personal information. Please be assured that this information is held securely and is well cared for. We do not share personal information with the public.

Please note: Providing your driver's license information here does **NOT** mean that you are registered as a driver with the Fire Department or permitted to operate our emergency vehicles.
